

PRODUCT SAFETY RECALL

TALON[®]
TOUGH TOOLS

Talon Lawn Mowers

Models:

AM3085 with serial numbers beginning with 0807

AM3080 with serial numbers beginning with 0809

These products were purchased from a variety of stores after August 2008. The serial number is located on the lower left side of the catcher door label.

The head of the blade securing bolt may fail allowing the blade to dislodge.

If you have a machine in the affected batch do not use the mower.

Call 1300 804 213. You will be directed to your nearest authorised repair agent to have the blade and bolt set replaced free of charge.
